Career objective

I am a motivated and enthusiastic first-year B.Tech Computer Science & Engineering (Honours) student with a growing interest in Data Science, programming, and problem-solving. I am actively seeking opportunities to enhance my technical knowledge, develop practical skills, and build a strong career in the field of software and data technology.

Education

- Currently completing a Data Science Program at Tops Technologies with an “A” grade.
 - Simultaneously pursuing a B.Tech in Computer Science and Engineering (Honours) from Karnavati University.(2026-2030)
 - Completed 12th Grade from Khyati World School with 73.2% in 2025.
 - Completed 10th Grade from Swaminarayan Vidhyapith with 79.2% in 2023.
-
